

**In a charming 17th century cottage, a sweet independent nest**

**Downstairs, one double bed (160)**

**On the mezzanine, two simple beds**

**A corner kitchen with TV**

Behind the cottage, a magic open space :  
stones and green, to rest or have an  
outside lunch.

All around, tranquil and green country side.  
Nearby, Angers, Saumur and all the Anjou  
richness.
